Custom Plan	Based on Requirements	Get a fully tailored solution designed specifically to your unique business needs.

Terms and Conditions

1. Scope of Work:

- The features and functionalities will be finalized before development begins.
- Additional features outside the agreed scope will incur extra charges.

2. Payment Terms:

- 40% of the project cost is payable upfront.
- 40% payment upon approval of the beta version.
- Final 20% payment before deployment.

3. Delivery Timeline:

- Basic software will be delivered within 15–20 business days.
- Advanced and enterprise software will be delivered within 30–60 business days, depending on complexity.

4. Revisions:

- Up to 2 free revisions are included. Additional revisions will be charged at ₹1,500 per round.

5. Maintenance:

- Free bug fixes and minor updates for 30 days post-deployment.
- Ongoing maintenance plans start at ₹3,000/month.

6. Ownership and Confidentiality:

- The client retains full ownership of the software after final payment.
- All project data and details will remain confidential.

Technology Stack:

- **Frontend:** React, Angular, Vue.js
- **Backend:** PHP, Python, Node.js, .NET, Java
- **Database:** MySQL, PostgreSQL, MongoDB, SQL Server

Support and Maintenance Plans:

- **Monthly Support:** ₹3,000 (includes backups, minor updates, and performance monitoring).
- **Emergency Bug Fixes:** ₹1,000/hour.

We ensure high-quality, scalable, and secure software solutions tailored to your business needs. Let us know your requirements, and we'll provide a detailed plan and timeline.

Sincerely,

Harshit Soni
